What is BBC?

What is Monta Vista DECA?

MVDECA is the premier business organization on Monta Vista High School's campus. Through an immersion in business knowledge, students are given the opportunity to explore their passions as well as develop new ones. At MVDECA, we foster a close-knit family environment, nurturing a positive atmosphere being one of our prime goals. Beyond the competitive events that DECA provides, we aim to extend their knowledge for application in the real world, through volunteering events and internships.

About the Business Bootcamp

Monta Vista High School's premier business organization, MVDECA, will be hosting its sixth annual Business Boot Camp, from August 1-5th, 2016. Throughout the course of the week, students will learn business, entrepreneurship, and communication skills as they discover their own individual strengths as well as the importance of teamwork in a professional environment. MVDECA's award-winning officers from the world's top ranked DECA chapter will personally mentor and teach students how to write their own business plans. At the end of the week they have the opportunity to present them to real venture capitalists, connecting them to the real business world. BBC also gives the students a huge advantage as it prepares them for high school, their future careers, and DECA's competitions, with former camp attendees having achieved international recognition in competitions in their freshman year.

Please note, that all DECA members (and BBC members) must be enrolled in approved CTE/Business Department classes. For incoming 9th graders, that class is usually Principles of Business. (Reference: CA Dept. of Education)

We plan on taking 60 applicants. This is on a first come first serve basis.
